Minor	04

Recommendations & Suggestions

- Below is the List of improvements needed for the Brawlers Web Application:

➢ Needs an improvement in the Login button and in the Sign-Up button.

➢ Needs an improvement in the Alignment of the Navbar Section.

➢ Needs an improvement in the Quick Links section, links are not working in that section.

➢ Needs an improvement in the UI/UX of the Application, it is not User Friendly.

➢ The performance of the Application is not as good as expected, it needs improvement in the Load and stress area.
